

A WHISPERED SECRET

This wallpaper is a creative project in continuous evolution expressing styles, trends and evocative designs. Founded by an Italian publicity and fashion photographer, it pushes the creative boundaries of what can be achieved in the world of wall coverings. The founder, as art director, has collaborated with various artists to compile extensive collections that are adventurous and eye-catching. Eschewing repeats and traditional graphics in favour of custom room-sized works of art. The beauty of this wallpaper line lies in its transformative power. Even architecturally plain spaces can be transformed at relatively low cost. In addition to residential environments, many successful installations are in restaurants, hotel lobbies and retail locations. You can see sample applications by clicking the PROJECTS link from the Main Menu of our Website.
